

# WELCOME TO THE COLVILLE FREE METHODIST CHURCH

November 6, 2011

**Worship Celebration!** You are welcome to stand, sit, kneel, raise your hands, clap to the Lord, come to the altar, and prostrate yourself before the Lord; whatever He shows you to do in worship. We recognize individual differences in Jesus and celebrate the harmony of worship.

## Remember To Pray For Our Veterans November 11, 2011

- **Elmer Davis** This nation will remain the land of the free only so long as it is the home of the brave.

The CIA Museum in McLean, Va., has obtained a letter from former intelligence operative Richard Helms written in 1945 on Hitler's stationery. Helms' son, Dennis Helms, had received the letter when he was three years old and gave it to the museum this year.

*"The man who might have written on this card once controlled Europe – three short years ago when you were born. Today he is dead, his memory despised, his country in ruins. He had a thirst for power, a low opinion of man as an individual, and a fear of intellectual honesty. He was a force for evil in the world. His passing, his defeat – a boon to mankind. But thousands died that it might be so. The price for ridding society of bad is always high. Love, Daddy."*
