

# WELCOME TO THE COLVILLE FREE METHODIST CHURCH

February 19, 2012

**Worship Celebration!** You are welcome to stand, sit, kneel, raise your hands, clap to the Lord, come to the altar, and prostrate yourself before the Lord; whatever He shows you to do in worship. We recognize individual differences in Jesus and celebrate the harmony of worship.

Where in the world is Pastor Dickinson and Sheila?????

Leaving Belgium on Feb 20th, taking a big plane to Tampa Fla. to visit for two weeks the people that first invited them to come to Belgium.

Belgium, officially the Kingdom of Belgium, is a federal state in Western Europe. It is a founding member of the European Union and hosts the EU's headquarters, and those of several other major international organizations such as NATO. Belgium covers an area of 30,528 square kilometers (11,787 sq mi), and it has a population of about 11 million people. Straddling the cultural boundary between Germanic and Latin Europe, Belgium is home to two main linguistic groups, the Dutch-speakers, mostly Flemish (about 60%), and the French-speakers, mostly Walloons (about 40%), plus a small group of German-speakers. Belgium's two largest regions are the Dutch-speaking region of Flanders in the north and the French-speaking southern region of Wallonia. The Brussels-Capital Region, officially bilingual, is a mostly French-speaking enclave within the Flemish Region.[2] A German-speaking Community exists in eastern Wallonia.[6] Belgium's linguistic diversity and related political conflicts are reflected in the political history and a complex system of government.

Positive Quotes from Charles Swindoll.

"We cannot change our past. We can not change the fact that people act in a certain way. We can not change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude."

"I cannot even imagine where I would be today were it not for that handful of friends who have given me a heart full of joy. Let's face it, friends make life a lot more fun.
